Objectives of the Training : The Objectives of organizing the capacity building training programmes were to create self-reliant sustainable and empowered farming communities and ensure better income for the producers through the FPO.

Mr. Bhakta Bachhala Mohanty, Social Activist& DR. Kishor Chandra Sahu ,

Associate Director , Krushi Vigyan Kendra ,Keonjhar were the Resource Person in these two training programmes respectively.

The gist of the sharing of the Resource person in the above-mentioned training programmes were as follows.

- Defining a Producer Organization, he explained that it is legal entity formed by primary producer, viz farmers, milk producers, weavers, craftsman and fisherman.
- The main aims of the PO are to ensure better income for the producers through an organization of their own. Small producers do not have the volume individually(both inputs and produce) to get the benefit of economies of scale. Besides in agriculture marketing, there is a long chain of intermediaries, who very often work non transparently leading to the situation, where the producer receives a small part of the volume that the ultimate consumer pays.
- Farmer Producer Organization is one type of PO where the members are farmers.
- NABARD, Government Departments, Corporates, domestic and international agencies provide financial and technical support to FPO.
- The Resource Person shares the Registration process of FPO in Register of Companies.
- **Important activities of FPO are**
- Procurement of Inputs
- Disseminating market information.
- Dissemination of technology and innovations.
- Facilitating finance for inputs.
- Aggregation and storage of produce.
- Primary processing like drying, cleaning and grading.
- Packaging, labelling and standardization.
